

## **OUTGOING ROLLOVER TO A ROTH IRA**

---

Use this form to initiate a full or partial direct rollover from your GET Account to an existing Roth IRA account established for the Student Beneficiary.

- This rollover may have tax consequences. The Account Owner and Beneficiary/Roth IRA Owner are solely responsible for complying with all relevant federal and state laws and IRS requirements, including any rules or guidance released by the IRS in the future. - We are required to file an IRS Form 1099-Q when you make a rollover from your 529 account. The Student Beneficiary listed in Section 1 of this form must match the name listed in Section 2 and will be the tax responsible party who will receive the 1099-Q.
- Only the GET Account Owner may request a rollover. Please allow 3-4 weeks to process completed forms.
- We must receive original completed, signed, and notarized forms to complete requests. Faxed or photocopied forms are not accepted.
- Complete a separate form for each account.

### **Important information about 529 to Roth IRA Rollovers**

Rollovers from 529 plans to Roth IRA plans must meet all IRS requirements and guidelines. **The information below is not intended as legal or tax advice**, nor can it be cited as such, as it does not constitute a complete description of IRS requirements or guidance. Requirements include:

- The rollover must take the form of a direct trustee-to-trustee transfer to the Roth IRA provider for the benefit of the Student Beneficiary.
- The 529 plan account must have been maintained for at least 15 years.
- The rollover may not exceed the aggregate amount of contributions (and earnings that are attributable to such contributions) to the 529 plan account made prior to the five year period ending on the date of the rollover. In the case of GET, any GET units rolled over must have been held for five years.
- The 529 to Roth IRA rollover limit is subject to a lifetime maximum of \$35,000, for all rollovers from any 529 plan account to any Roth IRA owned by the applicable 529 plan Beneficiary, and an annual maximum equal to the general Roth IRA contribution limit for the Designated Beneficiary each year.
  - Maximum annual Roth IRA contribution limits can be found on the IRS website at:
