STUDENT SUCCESS

JOB AND CAREER OPPORTUNITIES

REDUCE POTENTIAL STUDENT LOAN DEBT

A child with a dedicated college savings account, such as a 529 plan, are more likely to graduate from high school and pursue additional education toward career and job training.

According to the <u>Center of Education and</u> <u>the Workforce</u>, nearly 65% of job openings require some form of education beyond high school .

Savings provides the opportunity to reduce the burden of excess student loan debt – which is now nationally over \$1.7 trillion.

WHAT ARE 529 PLANS?

Tax-free Growth and Distributions

Earnings grow tax-free and distributions remain tax-free when used for qualified educational expenses at eligible educational institutions nationwide and some schools abroad.
